At Toga Limited, we look to attract and retain the brightest minds in the business, hiring professionals across a wide range of disciplines. Each day offers new challenges and opportunities. You have the opportunity to experience different parts of the organization and find the career path that is right for you. We offer a variety of options to develop your career, whether you are interested in a specialist, marketing or a management role. At the core of our staff are professionals with degrees in law, accounting & taxation, economics and business administration. They are the experts in their respective fields. They don't operate in isolation though. Colleagues with skills in other key areas such as compliance, IT, marketing and administration, help to ensure that our business is run professionally.

Our employees are integral to the firm's identity, contributing to a culture of integrity, professionalism and excellence. It is their dedication and passion for their work that has helped Toga Limited become a trusted partner for some of the largest institutional investors in the world. We encourage independent thinking and reward initiative, while providing services to help employees grow professionally. Our global business platform and brand reputation provide an unparalleled launch pad for growing your career.
